AFFILIATION FEES and INSURANCE PREMIUMS 2020-2021

Dear President / Secretary / Treasurer,

In accordance with the Constitution and By-Laws of FWDSA, the annual affiliation fee is set at the AGM and becomes due within 60 days of the AGM. Due to the COVID-19 restrictions, and as advised by the President in a recent letter, the AGM has been deferred until July. However, our current insurance runs out on 30 June and, therefore, will need to be renewed before the AGM.

The national council (4WDA) affiliation fees for 2020-2019 have dropped by just over a dollar. Although the final insurance premiums are still being negotiated; they are expect to remain at a similar level as last year.

Accordingly, the FWDSA Executive has recommended that the fees for 2020/2021 be set at \$10 per Primary Member¹ (was \$12 last year).

The insurance premiums for 2020-2021 have been set at \$4.70 per membership (that is, **all** memberships). For this year, the period of insurance commences at 4pm on 30 June 2020 and finishes on 30 June 2021.

As there are still a number of unknowns, the Executive has recommended that the total affiliation fee and insurance premium be capped at \$15 per member.

¹ Some members are members of more than one club. In this case they must nominate a primary club and pay the state affiliation fee of \$20 at that club. They must pay a separate insurance fee at ALL of the Clubs they are members of.

Club Database

As most will be aware, FWDSA maintains a database that records the details of each affiliated club. We use this information in a variety of ways, but the prime uses are:

1. Listing your club's details on the FWDSA Web site (see <http://www.4wdsa.asn.au/?page=members>)
2. Recording contact details so we know who to write to.

On the next page is an export from our database with the details we have recorded about your club. Please check the details and record any corrections on this form.
