“KEEPING IN TOUCH”

IMPORTANT INFORMATION REQUIRED BY THE NRAU

**The Arid Lands Natural Resources
Management (NRM) has asked FWDSA to
share our values of the area.**

**The NRM will accept input up to the
14th December.**

**Included with this KIT is the attachment “THE
SURVEY FORM” which we encourage ALL
Clubs to respond to.**

**We will also distribute the forms at
the next Delegates Meeting to be filled
in on the night.**

**The time frame is tight and we apologise for
this but it essential that we show the NRM
Board that we have a say.**
