**IMPORTANT NOTICE TO ALL AFFILIATED CLUBS FROM THE EXECUTIVE AND DELEGATES**

At the last Delegates Meeting the Morgan Quarry was discussed in length and it was resolved that any Club Member picking the access key up from Lisa will have to show some sort of identification due to a recent problem where an un-affiliated Club gained access.

The problem has now been resolved and at the last Delegates attending the Meeting it was suggested that some sort of identification was needed.

It was resolved by the Delegates that when picking up the key Clubs need to identify themselves and you can either

- (A) Wear your Club shirt,
- (B) Wear your Clubs nametag
- (C) Show your Club membership card
- (D) Show Lisa your licence

By doing this we believe that any un-affiliated Club's access to Morgan will cease.
